PREMIUM WINE FEATURES BY THE GLASS

NV.	Billecart-Salmon Brut Réserve, Mareuil - Sur-Ay, FR	16/80
	<i>When does one enjoy drinking champagne???? Anytime you get your hands on a glass! A burst of brilliant fruit and wonderful aromas of light dough, fresh flowers, and sliced pears and peaches. Full-bodied yet agile and fresh, it shows layers of marvelous light tropical fruit and cream with hints of dough on the finish (JS). The perfect aperitif. Try it with anything, it will make you smile.</i>	
2013	MERLOT - Duckhorn, Napa Valley	18/72
	<i>Those of you that think Miles (Sideways) was right on his view of merlot probably never had merlot when its made to show what merlot can deliver and then allow it to spend some time (15 months in barrique) and your end product exhibits intense aromas of ripe cherry, followed by more nuanced elements of cedar, sweet spices, orange peel and cigar box. This is a well balanced and structured merlot that will develop and can be enjoyed today. Are you a boeuf fan.....beware!</i>	
2012	NEBBIOLO - Luigi Giordano Cavana Barbaresco, Piedmont, IT	20/78
	<i>Barbarescos come from the land high above (nebbia) and where black truffles thrive. These are long lived wines with both power and grace often exhibiting high alcohol, high acid, and noticeably marked tannins. Rose petals, blackberries, sour cherries, tar, leather, and chocolate come to mind. This wine loves braised meats, roasts, and matured cheese.</i>
